

Grand Bend Area Community Health Centre is Now Recruiting for a .8 FTE - 1.0 FTE Family Physician

Position Summary:

The Physician provides primary health care to clients in accordance with the Health Disciplines Act of Ontario, the practice standards of the College of Physicians and Surgeons of Ontario (CPSO) and Community Health Centre guidelines. The Physician practices evidence-based medicine and utilizes a holistic approach to client care, including acute curative care, promotion of healthy lifestyles and prevention of illness by involving the client in their diagnosis and treatment, and through sensitivity to non-medical problems and appropriate referrals both inside and outside the Centre. The Physician participates in case conferences and information sharing with the other members of the multidisciplinary clinical team.

Qualifications:

1. Current registration with the College of Physicians and Surgeons of Ontario (CPSO) for Independent Practice.
2. Current with CPSO Continuing Professional Development (CPD) requirements.
3. Experience in a community health setting preferred
4. CCFP Certification or equivalent practical experience and asset.
5. Experience in program development, implementation, monitoring and evaluation an asset.
