

## **Grand Bend Area Community Health Centre is Now Recruiting for a Full Time Registered Nurse Educator – Diabetes Program**

The Diabetes Team at the Grand Bend Area Community Health Centre seeks a full time Registered Nurse committed to providing high quality education and health services to people living with diabetes, as well as people who are at risk of developing diabetes. .

The Registered Nurse, Diabetes works as a member of a multi-disciplinary team supported by physicians, nurse practitioners, dietitians, social workers, and support staff

### **Duties include:**

- Provide a thorough nursing assessment of clients with prediabetes and diabetes, with an emphasis on the social determinants of health, the client's readiness for change, prior education, socio-economic and cultural background
- Facilitates individual counselling sessions, in addition to group education classes, to meet the needs of the clients and their caregivers.
- Ensures continuity of care through timely and effective communication with the client's primary care giver and interdisciplinary team
- Conducts individual assessments and develops management plans consistent with Diabetes Canada Clinical Practice Guidelines
- Communicates with clients and their caregivers in person as well as through telephone and e-mail correspondence
- Tailor educational tools/materials to meet the clients' needs to support the regional program

### **Qualifications:**

1. Undergraduate degree in Nursing from a recognized university (BScN)
2. Registered in good standing with the College of Nurses of Ontario (RN)
3. Current certification with the Canadian Diabetes Educator Certification Board (CDE) or actively working toward completion.
4. Leadership in implementation of clinical practice guidelines in diabetes management.
5. Proficiency in computer applications as needed in diabetes program.

Interested applicants may forward a resume and cover letter in confidence to:
