INDEPENDENT AUDITOR'S REPORT

To the Directors of
Grand Bend Community Health Centre Inc.

Opinion

We have audited the accompanying financial statements of Grand Bend Community Health Centre Inc. ("the Company"), which are comprised of the statement of financial position as at March 31, 2023 and the statements of operations, changes in net assets (deficiency) and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at March 31, 2023, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting standards for not-for-profit organizations (ASNFPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNFPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITOR'S REPORT (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GRAND BEND AREA COMMUNITY HEALTH CENTRE INC.
NOTES TO FINANCIAL STATEMENTS

For the year ended March 31, 2023

1. Purpose of the organization

Grand Bend Area Community Health Centre Inc. is an organization with a mandate to provide primary care and health promotion programs to the Grand Bend community and its surrounding area. This community health centre was incorporated without share capital on August 19, 1999 under the laws of the Province of Ontario. The health centre is a not-for-profit organization, as described in Section 149(1)(l) of the Income Tax Act, and therefore is not subject to federal or provincial income taxes.

2. Accounting policies

The financial statements are the representation of management prepared in accordance with Canadian accounting standards for not-for-profit organizations. Significant aspects of accounting policies adopted by the organizations are as follows:

a) Basis of presentation

The financial statements include the activities related to the general Community Health Centre funded services and programs and Diabetes program.

b) Accrual basis of accounting

Sources of financing and expenditures are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable, and recognizes expenditures as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

c) Cash and cash equivalents

Cash and cash equivalents consist of cash on deposit and short-term deposits with initial maturity terms equal to less than 90 days.

d) Financial instruments

Financial instruments are initially recognized at fair value and then subsequently at cost or amortized cost with gains and losses recognized in the statement of operations in the period which the gain or loss occurs. Financial assets are assessed for impairment on an annual basis if there are indicators of impairment.

e) Capital assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Rates of depreciation applied using the straight-line method to write-off the cost of capital assets over their estimated useful lives are as follows:

Land improvements	8 - 10 years
Buildings	40 years
Building service equipment	10 - 20 years
Building components	5 - 20 years
Major equipment	3 - 15 years
Vehicles	4 years
Leasehold improvements	2-5 year lease terms

2. Accounting policies (continued)

f) Revenue recognition

The Health Centre follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year which the related expenses are incurred. Contributions for depreciable capital assets are deferred and amortized on the same basis as the underlying assets. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

g) Contributed services

Volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

h) Risk management

It is management's opinion that the Health Centre is not exposed to significant interest rate or credit risk arising from its financial instruments.

Liquidity risk is the risk that the organization will not be able to meet its financial obligations as they fall due. The organization has in place a planning and budgeting process to help determine the funds required to support the organization's normal operating requirements on an ongoing basis.

i) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, the reported amounts of revenues and expenditures during the period, and the accompanying notes. Due to the inherent uncertainty in making estimates, actual results could differ from those estimates.

3. Capital assets

	Cost	Accumulated Depreciation	2023 Net Book Value	2022 Net Book Value
Land	\$ 522,820	-	\$ 522,820	\$ 522,820
Land improvements	157,806	155,425	2,381	2,678
Buildings	2,517,357	1,231,658	1,285,699	1,297,546
Building service equipment	724,528	624,644	99,884	119,560
Building components	265,753	192,057	73,696	4,059
Major equipment	976,888	889,921	86,967	112,035
Vehicles	51,767	25,883	25,884	38,826
Leasehold improvements	148,648	148,648	-	2,101
	<u>\$ 5,365,567</u>	<u>\$ 3,268,236</u>	<u>\$ 2,097,331</u>	<u>\$ 2,090,625</u>

4. Operating line of credit

The Health Centre arranged an operating line of credit in the amount of \$75,000 on April 14, 2016. The line of credit bears interest at the lender's annual variable rate of funds plus 3.1% and is unsecured.

5. Deferred contributions

Deferred contributions represent unspent resources externally restricted for specific projects/programs or time periods. The deferred contributions balance consists of the following:

	2023	2022
Deferred funding		
Community Health Centre operating surplus 2022/23	\$ 72,542	\$ -
Community Health Centre operating surplus 2021/22	66,499	66,499
Community Health Centre operating surplus 2020/21	2,472	40,312
Community Health Centre operating surplus 2019/20	1,980	32,129
Community Health Centre operating surplus 2018/19	-	12,297
Diabetes program surplus 2022/23	2,314	-
Diabetes program surplus 2021/22	2,835	2,835
Diabetes program surplus 2020/21	-	14,590
Diabetes program surplus 2019/20	-	3,283
Diabetes program surplus 2018/19	-	4,387
	<u>148,642</u>	<u>176,332</u>
Other deferred contributions	<u>316,517</u>	<u>202,414</u>
	<u>\$ 465,159</u>	<u>\$ 378,746</u>

6. Deferred contributions related to capital assets

Deferred contributions related to capital assets represent restricted contributions with which the Health Centre's capital assets were purchased. The changes in deferred contributions balance for the year are as follows:

	2023	2022
Beginning balance	\$ 1,576,805	\$ 1,567,355
Add: restricted contributions to purchase capital assets	141,339	151,322
Less: amounts amortized to revenue	<u>(143,633)</u>	<u>(141,872)</u>
Ending balance	<u>\$ 1,574,511</u>	<u>\$ 1,576,805</u>

7. Commitments

The Health Centre's obligations under various operating leases are as follows:

	Expiry Date	Monthly Payment
premise - Hensall Satellite Office, 122 King Street	March 2025	\$ 2,700
Information technology equipment	August 2023 - January 2024	\$ 2,875

The Health Centre has an ongoing mandatory commitment of approximately \$58,000 per annum for Electronic Medical Record System support.

8. Pension agreements

The Health Centre became a member of a pension plan on March 5, 2015. The Health Centre makes contributions to a multi-employer pension plan on behalf of members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The amount contributed for the fiscal year ended March 31, 2023 was \$407,087 (2022 : \$374,268) for current services and is included as an expenditure on the statement of operation and fund balances.

The contributions to the Healthcare of Ontario Pension Plan ("HOOPP"), a multi-employer defined benefit pension plan, are expensed when contributions are due. Any pension surpluses or deficits are a joint responsibility of Ontario government healthcare organizations and their employees. As a result, the Health Centre does not recognize any share of the HOOPP pension surplus or deficit.

9. Related party transactions

The Grand Bend Area Health Services Foundation was incorporated without share capital under the Corporations Act of Ontario and is a registered charity under the Canadian Income Tax Act. The Foundation raises funds primarily for the benefit of the Health Centre. During the year, the Health Centre entered into the following transactions with the Foundation with respect to fundraising activities:

	2023	2022
Grant from Foundation	\$ 34,917	\$ -

These transactions are in the normal course of operations and are measured at the exchange amount which is the amount of consideration established and agreed to by both parties. There are no amounts due to or due from the Foundation. In 2019, the Foundation committed to funding a portion of the cost of certain IT equipment used by the Health Centre until 2023 in the amount of \$2,910 per month.

10. Economic dependence

The Ontario Ministry of Health and Long-Term Care provides substantially all operating revenue for the Health Centre. The Health Centre's continued viability is dependent on this funding.

11. Allocation of expenditures

The Health Centre allocates expenses such as supplies and sundry and rent to the diabetes program based on budgeted amounts approved by management. The budgeted amounts represent management's estimate of the program's portion of these expenses.

12. Financial impact of COVID-19 pandemic

On March 11, 2020 the World Health Organization declared COVID-19 a global pandemic. Subsequently, the Province of Ontario issued a state of emergency limiting the number of people in a gathering and requiring rolling closures and lockdowns of non-essential business for an indeterminate period of time. The dynamic nature of the COVID-19 crisis makes it impossible to predict the impact this will have on the organization's operations, cash flows and financial position. The Board of Directors and management will continue to monitor the situation and reflect the impact in the financial statements as appropriate.
